

# KINGDOM COMMUNITY GROUPS

## VISION

Two of the foundations of Oak City Church are for people to feel that they **belong to family** and to **become who God has created them to be**. We believe one of the ways we will accomplish this is through Kingdom Community Groups. In K.C.G., we will aim to create Spirit-filled environments where people can regularly gather in homes to be connected, known, and grow in their identity in Christ.

The purpose of Kingdom Community groups is to create a way for people that consider Oak City Church their home to **belong, become and have fun!**

### BELONG

- Our main goal for these groups is to create space for people to build community within the larger community of Oak City. In addition, we want to create a safe space for people to be authentic and share challenges, struggles, testimonies, and receive encouragement from others.

### BECOME

- We want to encourage people to think and go deeper with the content of our sermons and be challenged to live it out practically. We will do this by facilitating sermon topic discussions in the group.

### HAVE FUN

- One of the monthly gatherings will focus on a fun activity or meal together.

## **STRUCTURE OF THE GROUPS**

### **LONG TERM GROUPS - GATHER WEEKLY**

- Our heart for these groups is to create a space for people within the Oak City Community to build deep relationships. We believe that regular weekly spirit filled gatherings over time will produce spiritual growth and personal transformation. If you need to change or leave your group will have that option.
- Typically groups gather on either Wednesday or Thursday night
- Off on these months: April, July, and December
- Off on Holiday's/School holidays

### **GROUP LEADERS**

- Each group will have a leader that will be facilitating, and hosting the gathering.

### **CHILDCARE**

- Each group will make their decision on how they handle childcare.
- On the application, you can indicate if you need childcare.

### **DEMOGRAPHICS**

- As much as possible, individuals will be placed based on location, which allows a variety of ages and stages into the groups. As we are launching Kingdom Community Group, we may not have a group in your area, but you may be able to join a group with available spots.

If you want to build deeper relationships at Oak City, and consider Oak City your home, please apply for a Kingdom Community Group.
